Children in the junior room have enjoyed using Beebots over the past 2 weeks.

Upcoming Events

ARTIST IN RESIDENCE

During February, we are looking forward to working with artist Kathryn Maguire over 5 weeks.

All classes will be participating & we will conclude the residency with a workshop with Kathryn in The Model at the end of February.

STEM

Children are working on team science experiments 2nd to 6th class each week. We are focusing on electricity at the moment.

SPANISH IN CLASS

In the coming weeks, children in senior room will be participating in the 'Yes to Languages' programme & will be learning spanish for 8 weeks.
